A PLACE TO LEARN, A PLACE TO REMEMBER.

C&B Farms is located near the Big Cypress Seminole Indian Reservation south of Clewiston, Florida. We have housing units that are available in June and July, 2024. Our dormitory style housing is the perfect environment for a “Gone Country” Retreat!

Each unit has 12 bunk beds, 2 toilets, 3 showers, 3 sinks and a kitchen with plates, utensils, cookware, 3 ovens and 3 refrigerators. It is a community style bathroom, mixed genders in the same unit might be complicated but we have 4 contiguous units available.

An extra unit could be staged as headquarters, cafeteria, meeting room, worship center, etc.

There are two trailer homes available, they could be used as counselor headquarters or for smaller/private group sessions. One has 4 bedrooms/ 3 ½ baths and the other 3 bedrooms/ 2 baths.

There is a large parking area available. A firepit, outdoor seating, basketball hoop as well as ample space for outdoor activities like tug-a-war, sack races, soccer, kickball, paintball, etc. Your group could also have outdoor concerts or movie projection. There is very little light pollution, a true night under the stars. Should anyone prefer to camp, tents can be set up or there is space for camper/RV parking (no hook up).

We are located near many National Wildlife areas, perfect location for birdwatching, kayaking, and sunset praise & worship. There are opportunities for hiking and fishing on the property. We have a few recreational vehicles available to rent. We can give demonstrations with our farming equipment like laying plastic, discing, and cultivating.

Local Wildlife areas: Florida National Scenic Trail, Okalacoochee Sough Wildlife Preserve, Dinner Island Ranch Wildlife Management Area, Spirit of the Wild, Big Cypress Indian Reservation, Devil’s Garden Bird Park
